About us

Dr. D. Y. Patil Arts, Commerce and Science Junior College was established in 2018 with an aim to provide pre-university (Higher Secondary) education in the campus. The college is affiliated to the Maharashtra State Board. Commerce and Science streams are offered with total intake of 320 students. The Commerce stream has 80 intake & 240 is the intake of the Science stream. The institute has state-of-the-art infrastructure which includes airy and spacious classroom, well equipped labs with experienced and qualified faculty with hard core professional approach towards the work. The college is known for its quality academic delivery. The students are rigorously prepared not only in academics but also in co-curricular and extra-curricular activities to bring out the best out of the students. Co-curricular activities include guest lecture of experts from various fields, discussions, debates, elocution etc. Career counselors are invited to guide and plan the future of the students. As per the legacy of the D.Y. Patil, this is the college where academic excellence rules.

VISION

To make the institute as one of the most sought after destination by working hard for the development of students and institute.

MISSION

To showcase and enhance the dormant qualities and skill sets of the students and to enable them to lead a successful confident life through global competence.
